Shore Things

Get new perspectives on Caribbean destinations from our homeports in Miami and San Juan — setting sail through turquoise waters and painted skies. From quiet beach mornings to exhilarating afternoons spent exploring, our Miami voyages feature a stop (and often a late-night-stay) at our private beach club experience in Bimini, Bahamas, the Virgin Voyages Beach Club at Bimini. From exploring the waterfalls of Puerto Plata to diving through the stunning coral reefs of Cozumel, there are so many ways to explore the incredible places we go.

Book early and save before you get on board for the lowest rates on select Shore Things. All Shore Things are bookable on the Sailor App 120 days prior to sailing (135 days for RockStar and Mega RockStar Sailors) or with your First Mate. Shore Things are subject to change due to pricing, availability, and weather conditions.

✔ What we do

- Immersive, sustainable experiences that seduce Sailors with our passions — passions for design, food and beverage, music, nature and adventure.
- Thought-provoking and culturally rich content that's energizing for the body and soul, as well as being Instagrammable.
- Up-close and tactile opportunities as smaller groups, welcomed by locals.

✘ What we don't do

- Inauthentic experiences with fake scripts and commission-paid shopping stops.
- Impersonal, large-group tours that pit Sailor against Sailor for seats, views, or access.
- "Follow me" flags, tour stickers, and forced smiles.
