With late and overnight stays across idyllic settings like Croatia's coastline, Greek islands, and iconic places like Turkey's Turquoise Coast, Ibiza, and Rome, we get to show you what makes these destinations so unique.

Book early and save before you get on board for the lowest rates on select Shore Things. All Shore Things are bookable on the Sailor App 120 days prior to sailing (135 days for RockStar and Mega RockStar Sailors) or with your First Mate. Shore Things are subject to change due to pricing, availability, and weather conditions.

✔ What we do

- Immersive, sustainable experiences that seduce Sailors with our passions — passions for design, food and beverage, music, nature and adventure.
- Thought-provoking and culturally rich content that's energizing for the body and soul, as well as being Instagrammable.

- Impersonal, large-group tours that pit Sailor against Sailor for seats, views, or access.
- "Follow me" flags, tour stickers, and forced smiles.
